05th Of October 2015

This letter confirms that GEA Refrigeration Africa (PTY) Ltd has approved the fitment of the iCermox Aqua Trap™ to all the new Thermo King Trailer model unit that leave our workshops. GEA Refrigeration Africa (PTY) Ltd allow the fitment of the Duo Aqua Trap and by doing so will not affect the Thermo King Factory warranty in South Africa. By fitting the filter it will have no effect on the normal operations of the Refrigeration unit

In future, GEA Refrigeration Africa (PTY) Ltd shall fit the iCermox Aqua Trap™ as the standard primary diesel filter on all trailer model units.

Regards,

Zaron Scheepers
